# **Housing Corps Status:**

  - -Thursday April 11th for the first formal Alumni Association Meeting
- -The positions of Recorder as well as Member At Large positions are still open and accepting candidates, reach out to President Jeremy Fick (<u>jfick82594@gmail.com</u>) if interested.

### **Old Business:**

Rive Stairs Project:

- -At this time Active Chapter has decided to push off getting started on the stairs
- -The brothers have decided that there are too many ongoing internal projects and they would like to finish those before going forwards, including finishing Chapter Room, Spring Cleaning, and other outdoor projects.
- -The active brothers have created a small ongoing list of updates to the old staircase that can be done in the short term to last through the Summer. No monetary support from the Housing Corps is thought to be necessary at this time.
- -In the meantime, Malachi will continue pre-production so the project can get started as soon as the actives are ready to start working.
  - -Plan to have footings poured by no later than Fall of this year.

### **New Business:**

-The Alumni Car Show has been set for July 20th, more information forthcoming.
